ARI Quiz not working

Posted by Alessio - 2021/09/03 15:02

_____

Hello,

I just bought ARI Stream Quiz Pro and added a shortcode to my page. However, clicking on "Start Quiz" does nothing. Could it be that jQuery is needed for the plugin? Because that would be an issue, since I removed it from my frontend for performance reasons.

_____

Hello,

Try to add inline_scripts="1" parameter to shortcode and clean WordPress cache. The code will look like:

PS: The plugin uses jQuery.

Regards,
ARI Soft
