## update to pro

Posted by Rowdydog - 2022/01/09 19:28

---

I am trying to create a personality test and am working on a Mac system. I cannot seem to update my basic trivia quiz to the upgrade that generates the Personalty quiz,.I have deleted and reinstalled and still no change

Hello,

PRO version is available on Member Area. We also sent a email with a temporal download link for the plugin. Check you spam/junk mail folder please.

Regards,  
ARI Soft
