Hi,

My quizzes aren't loading up for edit.

The charging signal comes out but it doesn't go beyond that. https://www.ari-soft.com/images/fbfiles/images/Captura_de_Pantalla_2022_02_15_a_la_s__11.png

Hello,

Could you provide a temporary access to your WordPress backend by email so we can investigate the problem? It can be a conflict with a 3rd party plugin.

PS: Make sure you use the latest version of the plugin.
