
When i press \"Start Quiz\" it ask me to reload

Posted by coffeathome9 - 2022/02/27 18:20

When i press "Start Quiz" it ask me to reload the page and says "The quiz can not be loaded. Do you want to reload the page and try again?" and when i press ok the quiz start working normally, please tell me how to remove this error, i have attached the screenshot. <https://www.ari-soft.com/images/fbfiles/images/error1.png>

Hello,

Open "ARI Stream Quiz -> Settings -> Advanced" page and try to enable "Prefetch quiz session" parameter.

Regards,
ARI Soft
