
Control what's displayed on Results page

Posted by Elvorne - 2022/03/24 07:20

Hi, on a Personality Quiz, is there any way to set the Results page to only show the user's Main Result “ and NOT any of the others? Pls

=====

Hello,

Open "Personalities" tab on quiz edit page and disable "Show several personalities on final page" checkbox.

Regards,
ARI Soft
