
Multi Images in Answers are not visible properly

Posted by aamir - 2022/03/29 13:17

Respected Admin,

The images of question are working fine but the multi choice images in the answers section is not working properly they are cut in size and not 100% image is shown please help me to fix It.

Hello,

Is it possible to see the problem anywhere?

Regards,
ARI Soft
