
Photos not showing in quiz wordpress 6.1.1

Posted by motorman - 2022/12/06 19:19

Photos are now showing up on the quiz. Can't find any reason why. I did update to WordPress 6.1.1

Hello,

Is it possible to see the problem anywhere?

Regards,
ARI Soft

This problem with JetPack optimization plugin (lazy loaded images). We add ability to skip quiz images by JetPack in the next version of the plugin. It will be ready at the beginning of the next week.
