
ARI Quiz plugin is not saving to a specific group

Hi,

ARI Stream Quiz is configured to save a subscriber to a specific group in MailerLite, but unfortunately after the signup, the subscriber is shown as 'Not a member of any group' in MailerLite https://www.ari-soft.com/images/fbfiles/images/Screenshot_2023_04_12_113508.jpg

What could be the reason of that?

Thank you in advance for the support
