
Payment method

Posted by ingilizce - 2023/04/21 11:47

Hello, I want to buy pro version, but paypal does not serve in our country. Are there any other payment methods instead of paypal?

Hello,

All payments on our site are processed by 2CheckOut. It accepts credit cards and PayPal payments.

Regards,
ARI Soft

Although I tried to continue as a guest, I couldn't see my country in the country list of Paypal. So I couldn't pay again. Thanks for information.
