Ari Fancybox and Stream Quiz Pro

Posted by temp1965 - 2019/09/23 19:23

_____

I purchased Stream Quiz Pro. I need to be able to open images in the Answer section of the quiz. It is simply . I installed your free Fancybox plugin but it is not working on those images. How can I get it to work? The website is https://cardiologyapps.com/octaid/octaid-take-quiz/

_____

Hello,

Could you send your order number by email?

Regards,
ARI Soft
