## Prevent image download on mobile

Posted by Alexandros\_T - 2020/02/06 07:24

---

Is there a way to prevent image download on mobile? Like it successfully works on desktop? [http://www.ari-soft.com/images/fbfiles/images/3EBE38D0\\_7594\\_4D6E\\_9DB6\\_45D0FB8C3C8E.jpeg](http://www.ari-soft.com/images/fbfiles/images/3EBE38D0_7594_4D6E_9DB6_45D0FB8C3C8E.jpeg)
