
Slideshow progress bar

Posted by jimfrost - 2020/08/23 09:40

Hello there,

When you have the lightbox open and in slideshow mode there is the progress bar running across the top of the lightbox. Is there any way to change the colour of this bar from red?

Thanks in advance.

Hello,

Open "ARI Fancy Lightbox -> Settings -> Style" page and populate "Custom CSS" parameter with the following code:

```
body .fancybox-progress {background:green;}
```

Regards,
ARI Soft
