
autoplay does not work for Vimeo

Posted by jazyko - 2021/11/09 08:12

Hi,

I ordered ARI Fancy Lightbox PRO - Settings v. 1.8.9. (WordPress plugin)
Unfortunately Autoplay doesn't work for Vimeo videos.

Thank you

Hello,

Some browsers have autoplay restrictions. Makes sure it is not your case. Restrictions are described here (see "Autoplay Restrictions" section).

Regards,
