
Any news on WordPress 6.0 compatibility?

Posted by imkimc - 2022/06/28 00:15

Not really sure I'm ready for FSE but I'd like to at least know that your plugin will work when I upgrade to WP 6.0 eventually ;)

Thanks,
Kim

We tested the plugin with WordPress 6.0.1 and didn't find any problem. Compatible version is updated on WordPress plugin repository.

Regards,
ARI Soft
