PDF in lighbox not working in mobile

Just show first page of pdf load in mobile, on PC work fine. can anyone help me?

Thank you.

Hello,

Could you provide a link to a page where the problem occurs and specify what browser/OS (iOS, Android) you use?

Regards,  
ARI Soft

I am trying to opening external link of pdf from amazon s3

in iOS, only first page of pdf show.  
in android, the open button can visible on lightbox then user can download PDF

how user can read direct PDF in lightbox on mobile device like Desktop?
