version 1.3.1 update

Posted by MarfaMarevna - 2017/07/05 16:07

_____

There is a new version of Contact Form 7 Connector available. View version 1.3.1 details or update now.

then

Update Failed: The package could not be installed.

_____

Thanks, it works.

I don't have purchased products in Member Area

_____

The extension is available in "Member Area", only if it is bought via our site. If it is purchased on Envato, the plugin will be available on Envato site.

Regards,
ARI Soft
