## Ari Zoom integrating

Posted by wcough - 2011/01/21 20:51

---

Was wondering if there were plans on integrating the ari zoom with a lightbox selection?  
The Magnifier is great but would love the zoom to do the same  
Thanks for updates

Hello,

The next version of "ARI Zoom" will provide this ability. It will be available next week.

"ARI Zoom" v. 2.1.0 is ready and it can be integrated with different lightbox extensions. See demo [here](#).
