
Images not showing in Chrome..

Posted by Neila - 2014/09/12 18:35

Hello, my images are not showing in chrome but works fine in every other browser. Can anyone help solve this? The site is belmafashions.com

Hello,

Add the following CSS rule to a site template CSS file:

```
.cloud-zoom-wrap IMG {max-width:none;}
```

Regards,
ARI Soft
